Task 2: Letter to Grandma.

Hello, grandma! How are you today? What are you doing? Do you have a plans for this day? I am fine, my health is very good, don't worry. And my parents are fine too. They are at work, on this weekend they are so busy, we do not talk too much. My siblings are at school, but my little brother is ill. It is okay, don't worry please. How about you? Are you fine? I think, I will visit you on Sunday. I miss you. I want to eat your sandwiches, they are so delicious. I will take with me my sister and brother on Sunday. And I'll help you to clean the house. I hope, you are well.

Lots of love, Lashyn. I love you grandma.
